PLEASE TAKE FURTHER NOTICE that, on March 19, 2020, the Debtors filed and served upon each non-Debtor counterparty to a contract or lease a notice [Docket No. 1183] (the “**Potential Assumed Contracts Schedule**”) of the potential assumption and assignment of the contract or lease and of the amounts necessary to cure any defaults under the contract or lease pursuant to section 365(b) of the Bankruptcy Code (the “**Cure Costs**”). **The deadline (April 1, 2020 at 12:00 p.m. (prevailing Central Time)) to file an objection to the Cure Costs of any contract and lease listed on the Potential Assumed Contracts Schedule has expired.**

PLEASE TAKE FURTHER NOTICE that, on April 7, 2020, the Court entered an order, among other things, (a) authorizing the sale of certain assets to Prairie Farms Dairy, Inc. (the “**Buyer**”) free and clear of all claims, liens, interests, and encumbrances, (b) authorizing the Debtors to enter into and perform their obligations under the asset purchase agreement and related documents, and (c) granting related relief [Docket No. 1594] (the “**Sale Order**”).²

PLEASE TAKE FURTHER NOTICE that, in accordance with the Sale Order, attached hereto is the Proposed Assumed Contracts Schedule for the Sale Transaction.

PLEASE TAKE FURTHER NOTICE that you are receiving this Notice because you have been identified as a non-debtor counterparty to an executory contract or unexpired lease proposed for assumption and assignment under section 365 of the Bankruptcy Code (each an “**Assigned Contract**”). **The assumption and assignment of the Assigned Contracts is not guaranteed and is subject to approval by the Court and the Debtors’ or Buyer’s right to remove an Assigned Contract from the Proposed Assumed Contracts Schedule in accordance with the modification procedures set forth below.**

PLEASE TAKE FURTHER NOTICE that certain Assigned Contracts listed on the Proposed Assumed Contracts Schedule may not have been included on the Potential Assumed Contracts Schedule, including Assigned Contracts entered into post-petition. As such, and out of an abundance of caution, those certain Assigned Contracts are listed with Cure Costs (if any) as of March 19, 2020. Each counterparty to an Assigned Contract listed with a Cure Cost shall have until seven days from the date hereof to object to the Cure Costs (a “**Supplemental Cure Costs Objection**”), which objection must (a) be in writing, (b) comply with the Bankruptcy Code, Bankruptcy Rules, and Local Rules, (c) state, with specificity, the legal and factual bases thereof, and (d) be filed with the Court and be served on the Objection Notice Parties. For the avoidance of doubt, nothing in this Notice extends the deadline to object to the Cure Costs listed on the Potential Assumed Contracts Schedule.

PLEASE TAKE FURTHER NOTICE that each counterparty to an Assigned Contract set forth in the Proposed Assumed Contracts Schedule shall have until **April 30, 2020 at 11:59 p.m. (prevailing Central Time)** to object to whether adequate assurance of future performance by the Buyer has been provided (an “**Adequate Assurance Objection**”), which objection must (a) be in writing, (b) comply with the Bankruptcy Code, Bankruptcy Rules, and Local Rules, (c)

Roberts, and (v) the U.S. Trustee (the “**Objection Notice Parties**”).

PLEASE TAKE FURTHER NOTICE that the Debtors (in consultation with the Consultation Parties), the Buyer, and the applicable counterparty to an Assigned Contract may resolve all Contract Objections (including Adequate Assurance Objections) by stipulation to be presented to the Court under certification of counsel. If the Debtors (in consultation with the Consultation Parties), the Buyer, and the applicable counterparty to an Assigned Contract are unable to resolve a Contract Objection, the Debtors shall schedule the matter for a hearing before the Court to be held on the next regularly scheduled hearing date or such other date that is agreeable to Debtors, the Buyer, and the applicable counterparty to the Assigned Contract.

PLEASE TAKE FURTHER NOTICE that, if no Contract Objection is, or is deemed to be, timely filed with respect to a particular Assigned Contract, the Debtors may submit an order to the Court seeking assumption and assignment of such Assigned Contract under certification of counsel.

Modification of Proposed Assumed Contracts Schedule

At or prior to the Closing, the Buyer may elect, in its sole and absolute discretion, to (a) exclude any contract or lease on the Proposed Assumed Contracts Schedule (in which case it shall become an Excluded Contract as applicable), *provided* that such exclusions will not reduce the purchase price to be paid by the Buyer, or (b) include on the Proposed Assumed Contracts Schedule any contract or lease of any of the Debtors.

If the Debtors or the Buyer identifies during the pendency of the Chapter 11 Cases (before the Closing) any contract or lease that is not listed on the Proposed Assumed Contracts Schedule, and such contract or lease has not been rejected by the Debtors, the Buyer may in its sole and absolute discretion elect by written notice to the Debtors to treat such contract or lease as an Assigned Contract, and the Debtors shall seek to assume and assign such Assigned Contract in accordance with the supplemental procedures set forth below.

The Debtors reserve the right, at any time before the Closing, to modify the previously-stated Cure Costs associated with any Assigned Contract, with the consent of the Buyer and subject to the supplemental notice requirements set forth below.

In the event that any contract or lease is added to the Proposed Assumed Contracts Schedule and is deemed an Assigned Contract, or previously-stated Cure Costs are modified, the Debtors will promptly file and serve a supplemental assumption and assignment notice on the applicable counterparty (each, a “**Supplemental Assumption and Assignment Notice**”), and otherwise timely notify the Consultation Parties. Each Supplemental Assumption and Assignment Notice will include the same information with respect to the applicable Assigned Contract as is required to be included in the Potential Assumed Contracts Schedule and the Proposed Assumption and Assignment Notice.

Any counterparty listed on a Supplemental Assumption and Assignment Notice whose Assigned Contract is proposed to be assumed and assigned may object to the proposed assumption or assignment of its Assigned Contract, the Debtors’ proposed Cure Costs (to the extent modified from the previously-stated amount in the Potential Assumed Contracts Schedule), or the ability of the Buyer to provide adequate assurance of future performance (a “**Supplemental Assumption and Assignment Objection**”). All Supplemental Assumption and Assignment Objections must (a) be in writing, (b) comply with the Bankruptcy Code, Bankruptcy Rules, and Local Rules, (c) state, with specificity, the legal and factual bases thereof, including, if applicable, the Cure Costs the counterparty believes is required to cure defaults under the relevant Assigned Contract, and (d) no later than seven days from the date of filing of such Supplemental Assumption and Assignment Notice, (i) be filed with the Court and (ii) be served on the Objection Notice Parties. Each Supplemental Assumption and Assignment Objection, if any, shall be resolved in the same manner as a Contract Objection.
